3	different_structure	syntactic	0.873	What is the primary takeaway that stands out most clearly from the given news article?
4	role_prefix	pragmatic	0.836	As a reader seeking a concise summary, what key point can be extracted from the provided news article?

A34 · Completeness Framing (Pool A, complexity 2)

Base: Summarize the following news article from start to finish, preserving the logical flow of events.

#	Strategy	Family	Sim	Paraphrased Instruction
0	formal_tone	lexical	0.842	Provide a comprehensive summary of the given news article, accurately encapsulating its main points and presenting them in a logical sequence.
1	synonyms	lexical	0.824	Condense the provided news report into its fundamental points, maintaining a coherent sequence of events.
2	passive_voice	syntactic	0.859	A summary of the entire news article is to be provided, maintaining the logical progression of events from start to finish.
3	different_structure	syntactic	0.835	Provide a concise overview of the entire news article, maintaining its original sequence and order of events.
4	role_prefix	pragmatic	0.820	As a reader, distill the given news article into its core content, following the sequence of events presented in the original piece.

A35 · Completeness Framing (Pool A, complexity 2)

Base: Summarize the following news article capturing both the factual content and why the story matters.

#	Strategy	Family	Sim	Paraphrased Instruction
0	formal_tone	lexical	0.857	Provide a comprehensive summary of the news article, incorporating both the key factual details and an analysis of the story's significance.
1	imperative	pragmatic	0.854	Present a concise summary of the given news article, incorporating both its key factual details and the significance of the story.
2	merged_sentences	syntactic	0.835	Provide a comprehensive summary of the given news article that effectively encapsulates both the reported facts and the significance of the story.
3	different_opening	syntactic	0.821	Providing a concise overview of the news article, highlight its key points as well as the significance of the story.
4	technical_vocab	lexical	0.842	Provide a comprehensive summary of the provided news article, accurately distilling both its salient facts and its significance to the broader narrative.

B01 · Lexical Filter (Pool B, complexity 3)

Base: Summarize the events of the following news article comprehensively without using any proper nouns — no names of specific people, cities, countries, or organizations.

#	Strategy	Family	Sim	Paraphrased Instruction
0	formal_tone	lexical	0.863	Provide an exhaustive summary of the events detailed in the provided news article, while omitting all proper nouns, including names of specific individuals, geographical locations, and organizations.
1	casual_tone	lexical	0.829	Give a thorough rundown of the events in the news article, covering all the key points, without referencing any specific proper nouns, including names of individuals, cities, countries, or organizations.
2	different_structure	syntactic	0.825	Provide a detailed recap of the events described in the news article, omitting all proper nouns, including those referring to specific individuals, geographic locations, and entities.
3	role_prefix	pragmatic	0.826	As a summarizer, provide an in-depth summary of the events in the given news article, completely avoiding the use of specific proper nouns such as names of individuals, cities, countries, or organizations.
4	technical_vocab	lexical	0.840	Summarize the events of the provided news article in an exhaustive manner, excluding all proper nouns, namely names of individual entities, geopolitical entities, and specific entities with institutional affiliations.

B02 · Lexical Filter (Pool B, complexity 3)

Base: Summarize the following news article without using the words 'said', 'reported', 'police', 'government', or 'stated'.

#	Strategy	Family	Sim	Paraphrased Instruction
0	formal_tone	lexical	0.861	Provide a concise synopsis of the news article, avoiding the usage of the terms "said", "reported", "police", "government", and "stated".
1	casual_tone	lexical	0.867	Summarize the news article, but don't use the terms "said," "reported," "law enforcement," "administration," or "declared."
2	reordered_clauses	syntactic	0.887	Summarize the following news article, while excluding the terms 'said', 'reported', 'police', 'government', and 'stated' from your summary.
3	concise	length	0.867	Provide a concise summary of the news article, excluding the terms 'said', 'reported', 'police', 'government', and 'stated'.
4	different_opening	syntactic	0.889	Condense the provided news article into a concise summary, excluding any instances of the words 'said', 'reported', 'police', 'government', and 'stated'.

B03 · Lexical Filter (Pool B, complexity 3)

Base: Write a summary of the following news article that seamlessly integrates the words 'catalyst', 'unprecedented', and 'ramifications' into your response.

#	Strategy	Family	Sim	Paraphrased Instruction
0	formal_tone	lexical	0.891	Compose a succinct synopsis of the news article, incorporating the terms 'catalyst', 'unprecedented', and 'ramifications' in a cohesive and integrated manner.
1	reordered_clauses	syntactic	0.849	Integrate the words 'catalyst', 'unprecedented', and 'ramifications' seamlessly into your summary of the given news article.
2	different_opening	syntactic	0.850	Weave a cohesive narrative of the news article by incorporating the words 'catalyst', 'unprecedented', and 'ramifications' to create a comprehensive overview.
3	imperative	pragmatic	0.882	Craft a concise and cohesive summary of the news article that deliberately weaves the terms 'catalyst', 'unprecedented', and 'ramifications' into its narrative.
4	technical_vocab	lexical	0.858	Compose a concise synopsis of the provided news article, effectively interpolating the terms 'catalyst', 'unparalleled', and 'consequences' into your written response.

B04 · Theme Isolation (Pool B, complexity 3)

Base: Extract and summarize only the data points, events, and implications related to financial impact, economic policy, or market reactions in the following news article. Ignore all other narratives.

#	Strategy	Family	Sim	Paraphrased Instruction
0	formal_tone	lexical	0.865	Extract and condense the key factual information pertaining to financial repercussions, economic regulatory frameworks, and market responses from the given news article. Disregard all extraneous anecdotal content.
1	reordered_clauses	syntactic	0.832	Extract the data points, events, and implications from the news article that are directly related to financial impact, economic policy, or market reactions, and disregard all other narrative elements.
2	synonyms	lexical	0.838	Extract and condense the key statistics, happenings, and outcomes associated with financial repercussions, fiscal regulations, or stock market responses in the given news report. Disregard all extraneous storytelling.
3	concise	length	0.905	Extract and summarize data points, events, and implications related to financial impact, economic policy, and market reactions from the article, excluding all other content.
4	different_opening	syntactic	0.891	Focus exclusively on identifying and condensing the data points, events, and consequences pertaining to financial consequences, monetary policy, or market responses in the given news article. Exclude any extraneous narratives.

B05 · Theme Isolation (Pool B, complexity 3)

Base: Rewrite the core narrative of the following news article entirely from the perspective of the individual or organization that suffered the most negative impact.

#	Strategy	Family	Sim	Paraphrased Instruction
0	reordered_clauses	syntactic	0.876	Rephrase the news article from the perspective of the individual or organization that suffered the most negative impact, rewriting the core narrative of the article accordingly.
1	different_opening	syntactic	0.878	Present a revised version of the news article, conveying the core narrative exclusively from the viewpoint of the individual or organization that bore the greatest negative impact.
2	elaborated	length	0.822	Provide a rewritten core narrative of the given news article, recounting the events and experiences from the viewpoint of the entity that was most severely affected by the situation described in the article.
3	role_prefix	pragmatic	0.896	As the most negatively impacted individual or organization, provide a rewritten core narrative of the news article from my perspective.
4	different_opening	syntactic	0.861	Reframe the core narrative of the following news article from the unique vantage point of the individual or organization that bore the greatest negative consequence.

B06 · Theme Isolation (Pool B, complexity 3)

Base: Summarize the primary argument driving the conflict in the following news article, followed by a summary of the opposing viewpoint.

#	Strategy	Family	Sim	Paraphrased Instruction
0	formal_tone	lexical	0.832	Provide a concise distillation of the central proposition that serves as the catalyst for the conflict presented in the news article, accompanied by a summary of the counterargument.
1	casual_tone	lexical	0.828	Break down the main reason behind the disagreement in the news article, then outline the opposing perspective.
2	reordered_clauses	syntactic	0.917	Following the news article, provide a summary of the opposing viewpoint, as well as the primary argument driving the conflict.
3	concise	length	0.871	Identify the central argument propelling the conflict in the news article and summarize it, along with a summary of the opposing perspective.
4	different_opening	syntactic	0.884	Provide a concise overview of the central issue causing the conflict in the news article, along with a summary of the opposing viewpoint.

B07 · Theme Isolation (Pool B, complexity 3)

Base: Identify the underlying sentiment or framing of the journalist in the following news article. Summarize the facts in a way that actively strips away that specific bias.

#	Strategy	Family	Sim	Paraphrased Instruction
0	formal_tone	lexical	0.870	Analyze the underlying sentiment or perspective presented by the journalist in the given news article. Provide a summary of the article that intentionally separates the factual content from the perceived bias.
1	concise	length	0.838	Identify the underlying sentiment or perspective of the journalist in the provided news article. Then, summarize the facts while removing the identified bias.
2	different_opening	syntactic	0.906	Dissect the underlying sentiment or framing of the journalist in the following news article, then distill the facts in a manner that actively removes that specific bias.
3	technical_vocab	lexical	0.861	Identify the underlying sentiment or conceptual framework adopted by the journalist in the provided news article and summarize the factual content by actively neutralizing that particular cognitive bias.
4	merged_sentences	syntactic	0.827	Provide an analysis of the journalist's underlying sentiment and framing within the news article, then distill the core facts while actively stripping away that specific bias.

B08 · Theme Isolation (Pool B, complexity 3)

Base: Ignore the background context in the following news article. Summarize only the direct, immediate aftermath and the stated future consequences of the events.

#	Strategy	Family	Sim	Paraphrased Instruction
0	formal_tone	lexical	0.884	Disregard the background information presented in the news article. Focus solely on summarizing the direct and immediate repercussions of the events and the explicitly stated outcomes anticipated to occur as a result.
1	reordered_clauses	syntactic	0.889	Summarize the direct, immediate aftermath and the stated future consequences of the events in the news article, disregarding any background information.
2	concise	length	0.915	Ignore the background context in the provided news article. Focus on summarizing the direct, immediate aftermath and stated future consequences of the events.
3	different_structure	syntactic	0.836	Focus solely on the direct, immediate aftermath of the events and the explicitly stated consequences mentioned in the news article, disregarding any preceding context.
4	imperative	pragmatic	0.913	Focus solely on the direct, immediate aftermath and stated future consequences of the events, disregarding any background context in the following news article.

B09 · Persona / Tone (Pool B, complexity 3)

Base: Provide a high-level executive brief of the following news article suitable for a CEO, focusing solely on strategic impact, final outcomes, and actionable risks.

#	Strategy	Family	Sim	Paraphrased Instruction
0	formal_tone	lexical	0.865	Prepare a comprehensive, senior-level executive summary of the provided news article, tailored specifically for a Chief Executive Officer, emphasizing key strategic implications, ultimate outcomes, and quantifiable risk factors.
1	synonyms	lexical	0.837	Deliver a condensed, senior leadership summary of the following news article tailored for the CEO, concentrating exclusively on key implications, ultimate consequences, and tangible perils.
2	different_opening	syntactic	0.837	Outline a concise executive summary of the news article tailored for the CEO's perspective, narrowing down to key strategic implications, end-results, and specific risks to be addressed.
3	role_prefix	pragmatic	0.831	As a CEO, distill the essence of the news article into a concise, high-level briefing that zeroes in on pivotal strategic implications, key deliverables, and tangible risks that warrant immediate attention.
4	technical_vocab	lexical	0.837	Craft a concise, senior-level synopsis of the provided news article, tailored to convey key strategic implications, ultimate outcomes, and pertinent risk factors to the CEO.

B10 · Persona / Tone (Pool B, complexity 3)

Base: Explain the main events of the following news article using simple, conversational language suitable for a middle school student, stripping away all journalistic jargon.

#	Strategy	Family	Sim	Paraphrased Instruction
0	synonyms	lexical	0.901	Explain the central happenings of the provided news story in plain, informal language accessible to a middle school student, removing all technical, newsworthy terminology.
1	concise	length	0.848	Summarize the news article in simple, conversational language suitable for a middle school student, eliminating all journalistic jargon.
2	different_opening	syntactic	0.868	Translate the main events of the following news article into simple, conversational language that an 8th-grader can easily follow, removing all unnecessary technical terms and complex vocabulary.
3	imperative	pragmatic	0.892	Explain the main events of the news article in a clear, conversational style suitable for a middle school student, removing all technical journalism terminology.
4	technical_vocab	lexical	0.825	Explain the principal happenings of the news article in a straightforward, conversational tone suitable for a middle school student, eliminating all technical terminology associated with the journalistic profession.

B11 · Persona / Tone (Pool B, complexity 3)

Base: Summarize the following news article in a strictly clinical, neutral tone. Strip away all emotional adjectives, quotes, and narrative flair.

#	Strategy	Family	Sim	Paraphrased Instruction
0	formal_tone	lexical	0.834	Provide a clinical and objective summary of the provided news article, omitting emotional language, direct quotations, and narrative embellishments.
1	casual_tone	lexical	0.868	Provide a clinical summary of the news article, adhering to a neutral tone and eliminating emotional adjectives, quotes, and narrative language.
2	reordered_clauses	syntactic	0.849	Strip away all emotional adjectives, quotes, and narrative flair from the news article. Summarize the resulting content in a strictly clinical, neutral tone.
3	different_structure	syntactic	0.827	Deliver a summary of the news article in a purely clinical tone devoid of emotional language, direct quotes, and narrative embellishments.
4	split_sentences	syntactic	0.842	Summarize the news article in a tone that is purely clinical and devoid of emotional expression. Eliminate all subjective adjectives, direct quotes, and narrative embellishments from the summary.

B12 · Persona / Tone (Pool B, complexity 3)

Base: Rewrite the core facts of the following news article into a punchy, sensationalized introductory paragraph designed to hook readers for a morning email newsletter.

#	Strategy	Family	Sim	Paraphrased Instruction
0	formal_tone	lexical	0.852	Compose an attention-grabbing, highly engaging introductory paragraph, effectively condensing the pivotal information from the news article into a compelling and sensationalized opening, specifically tailored to entice readers and spark interest in a morning email newsletter.
1	reordered_clauses	syntactic	0.913	Design a punchy, sensationalized introductory paragraph to hook readers for a morning email newsletter by rewriting the core facts of the given news article.
2	synonyms	lexical	0.827	Transform the central information of the given news story into an attention-grabbing, provocative lead paragraph crafted to captivate subscribers for a morning digital newsletter.
3	concise	length	0.895	Condense the core facts of the provided news article into a dramatic, attention-grabbing introductory paragraph for a morning email newsletter.

B13 · Persona / Tone (Pool B, complexity 3)

Base: Summarize the following news article in the style of an academic research paper abstract, focusing on methodology (how the event happened) and findings (the result).

#	Strategy	Family	Sim	Paraphrased Instruction
0	formal_tone	lexical	0.851	Provide a concise synopsis of the news article in the format of an academic research abstract, with a primary emphasis on elucidating the research methodology employed and the principal outcomes derived therefrom.
1	reordered_clauses	syntactic	0.829	Rewrite the methodology and findings of the news article in the style of an abstract for an academic research paper, summarizing the key details of how the event transpired and the results that were discovered.
2	synonyms	lexical	0.906	Describe the following news article in the format of a scholarly journal summary, concentrating on procedural details (the process by which the event unfolded) and empirical evidence (the outcome).
3	concise	length	0.837	Condense the news article into a concise summary in the style of an academic research paper abstract, highlighting the research approach (methodology) and key outcomes (findings).
4	passive_voice	syntactic	0.844	Describe the methodology and findings of the news article in an abstract tone, focusing on the procedural details and results, with the data presented in the manner typical of academic research papers.

B14 · Persona / Tone (Pool B, complexity 3)

Base: Summarize the claims made in the following news article in a highly skeptical tone, highlighting what evidence is missing or glossed over by the author.

#	Strategy	Family	Sim	Paraphrased Instruction
0	synonyms	lexical	0.823	Delve into the assertions presented in the news article with a healthy dose of skepticism, pinpointing the glaring omissions or deliberate evasions of evidence by the author.
1	casual_tone	lexical	0.844	I'm not convinced by the article's claims - summarize the news piece with a healthy dose of skepticism, pointing out all the gaps in evidence the author seems to be conveniently ignoring.
2	split_sentences	syntactic	0.902	Summarize the claims made in the news article, expressing extreme doubt, and specifically point out the glaring omissions and lack of evidence presented by the author.
3	split_sentences	syntactic	0.833	Question the validity of the claims presented in the news article, and explicitly highlight the glaring gaps in evidence and potential omissions made by the author.
4	different_opening	syntactic	0.847	Peruse the news article with a healthy dose of skepticism, critically evaluating the claims made and scrutinizing the evidence the author chooses to present – or conveniently omits.

B15 · Meta-reflection (Pool B, complexity 3)

Base: First, provide a standard 50-word summary of the following news article. Then, write a second paragraph critiquing your own summary, pointing out what nuance you failed to capture.

#	Strategy	Family	Sim	Paraphrased Instruction
0	formal_tone	lexical	0.824	Provide a comprehensive 50-word synopsis of the provided news article, adhering to a concise and objective format. Following this, compose an additional paragraph that offers a self-critical evaluation of your summary, highlighting any subtleties or complexities that were overlooked.
1	reordered_clauses	syntactic	0.895	Critique your own summary by writing a second paragraph that identifies the nuances you missed after creating a standard 50-word summary of the given news article.
2	concise	length	0.860	Provide a 50-word synopsis of the news article and a secondary paragraph that objectively critiques the summary's comprehension, highlighting any subtleties that were overlooked.
3	different_opening	syntactic	0.828	Initially, craft a concise 50-word summary of the news article. Next, compose a second paragraph offering a self-reflection on your summary, highlighting any subtlety that might have been missed or underemphasized.
4	imperative	pragmatic	0.856	Summarize the news article in 50 words, then produce a critique of your summary, highlighting the critical aspects that were overlooked or inadequately conveyed.
